FEMA Internship Graduate Students Program 2026

Description

The Federal Emergency Management Agency (FEMA) is offering a unique internship opportunity for graduate students in 2026. This program aims to provide hands-on experience in emergency management and disaster response, contributing to FEMA's mission of building a resilient nation.

Responsibilities

- Assist in the development and implementation of emergency management policies and programs.
- Collaborate with FEMA staff on various projects related to disaster response and recovery.
- Conduct research and analysis on emerging issues in emergency management.
- Support the planning and execution of training and outreach initiatives.
- Provide administrative support and assist with day-to-day tasks as needed.
- Participate in emergency response exercises and simulations.

Qualifications

- Currently enrolled in a graduate program with a focus on Emergency Management, Public Administration, Homeland Security, or a related field.
- Strong academic record.
- Excellent written and verbal communication skills.
- Detail-oriented with strong organizational abilities.
- Ability to work independently and as part of a team.
- Understanding of emergency management principles and concepts.

Experience

- Previous experience in emergency management, disaster response, or related fields is desirable but not mandatory.
- Familiarity with federal emergency management policies and programs is a plus.

Skills

- Proficient in Microsoft Office suite (Word, Excel, PowerPoint, Outlook).
- Analytical thinking and problem-solving skills.
- Adaptability and a willingness to learn.
- Strong interpersonal and teamwork skills.
- Time management and ability to prioritize tasks effectively.

Job Benefits

- Gain practical experience in emergency management at the federal level.
- Networking opportunities with professionals in the emergency management field.
